TEARS of joy filled the eyes of the newly-crowned Miss World Supermodel, Miss Brazil Marina Teixeira last night.

Ms Teixeira, who also scooped the prize for the most beautiful evening gown, said she was thankful for the endless support she received during the week-long competition.

"Everyone was very patient with me and helped me a lot, especially because my English is not very good," the Supermodel said after the crowning at the Pearl South Pacific Resort and Spa in Pacific Harbour.

"All the girls are winners tonight, thank you all so much."

The first runner-up was Miss Australia Gisele, followed by the second runner up Miss Australasia Alia. The Miss Teen supermodel title went to Miss Australia, Jessica. Meanwhile Miss Fiji Preshika Ashweni made it to the top ten. This was the third year in a row that Fiji has hosted the annual event.
